

SNI Software Uploader™

SKU# SNI211

The SNI Software Uploader™ is a battery powered hand held software uploader device used to update Elation compatible lighting fixtures. Easily upload a software update to an Elation lighting fixture by connecting the uploader to the fixture using a 3pin or 5pin DMX cable (not included). Elation software updates (not included) are stored on a MICRO SD card (included) and inserted into the uploader. SNI Software Uploader™ features an LCD display, 4 push button control panel, a MICRO SD card slot, 3pin and 5pin XLR DMX outputs, an On/Off switch, and includes a 12VDC external power supply, USB to MICRO SD card adapter, and blank MICRO SD card. Please contact Elation Service for details about available Elation fixture software updates.
