Hoglet 4™

SKU# **HOG402**

More compact and more competitive than its predecessor Nano! Coupled with Hog 4 PC™, the new Hoglet 4™ provides the user with a single unified surface, turning a laptop or desktop into a fully-fledged, powerful and intuitive lighting console. Any computer running Hog 4 PC™ can connect to the Hoglet 4™ over USB creating a state of the art control surface. Utilizing a similar front panel to all Hog 4™products users will feel right at home. The main play column has also been moved back to the more traditional center of the wing.
